Match Reports

From the President

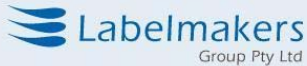

What a week in Football – some very close games – The U12 Browns went down by 1 point against the Top Side, The U12 Green went down by 4 points against the 3rd side. The U14 Golds, who are trying to cement a spot in the 4, drew with the top side Kew Rovers who have only Lost 1 game for the year. All of these games must have been great viewing and show the desperation and dedication of the players and their never say die attitude against overwhelming odds. This applies especially the under twelves, as both sides have been undermanned and playing against stronger opponents all year.

Thank you to the five U11 players Tom Kerr, Max Woolley, James Maginness, Pat Simkiss and Max Pearson who helped out the U13 Blues who were a few players short. Well Done Boys.

Congratulations to Mack Rivett (Under 12 Gold) who, along with the Victorian State Under 12 Squad dominated the National School Sports Carnival, easily winning all of their matches to take out the Championship in Melbourne last week. All of us at the Gladiators are very proud of your achievement.

Last SUNDAY GIJFC raised over \$1000

To help prevent, detect and treat cancer in Men, as well as support men in the need by funding the Cancer Council's important cancer research, education and support programs
WELL DONE EVERYONE.

Hyde Park Wine Under 9 Blues

After such a tight game against Mt Waverley the week before in the Round Robin, our expectations were high that we could perhaps get up and have win against the Falcons this week. Unfortunately, we probably had one of the worst quarters we have played all season and allowed the Falcons to kick 3.7 to nothing in the opening term. After that the match was just about a forgone conclusion. The second quarter instilled some hope amongst the supporter and coaching staff as we finally found some form and tackled the Falcons out of the quarter. But we still struggled to score ourselves, with the lone goal coming from Ryan with a quick kick out of a congested forward line. We had managed to pull back 5 points but this was never going to be enough. In the end the Falcons just dominated for the rest of the game kicking 2.4 to 0.1 in Q3 and 2.0 to 1.0 in Q4, when Charlie Marvin managed to score our second goal for the day.

Goals: Ryan Higgins, Charlie Marvin

Best: Nick Bartlett, Lachie Clarke, Will Colliver, Joshua Copeland, Joe Griffiths, Ryan Higgins, Harry Molnar and Alec Oldis

Cancer Council Appeal

A big thank you to thank Pauline and Maddie Carter and Monica Doelling for volunteering to go around the ground collecting money for the Cancer Council appeal. They did a fantastic job and raised \$116.50 on the day, which is a super result!!! Also thanks everyone for your support and donations.

Hyde Park Wine U9 Blues 2.2 (14) lost to Mt Waverley Falcons 7.12 (54)

Amcor Australasia Under 9 Browns

AND THE WINNER WAS FOOTBALL

Thanks to an excellent suggestion from Hoops, we mixed up the teams for the local derby clash and everybody had a great day. Full credit to the boys from both teams who all worked really hard and made the day a success. It was fantastic to see that the boys really mixed in well and we witnessed some fantastic teamwork and skills on both sides. The game was a real tussle and for the first three quarters there was never more than a kick in it. In the final term the Gold/Browns kicked away to score a good win. Congratulations to the winners and well done to the Brown/Gold's who really played some of their best football for the year.

On behalf of the Browns I would like to thank the following boys who played with us Will Nicholls, Charlie Loveridge, Sam Hooper, Sam Bessell, Harry Long, Charlie Dahlenburg, Ben Wilmoth, Leonardo Curtis, Eamon Roderick and Harry Armad,. They really helped lift us to one of our best games for the year. Well done to the Brown Boys who played so well. Will Koren, James McDonald (great Mark), Josh (terrific Hand ball), Oscar, Sam, Charlie B, Nelson, Hugo, Gus, E-man

Congratulations to the Brown Boys who performed really well for the Gold's - it shows what a good coach can do.

Next 2 weeks we face East Malvern away. I'm confident we can finish the year off on a really strong note.

Blue Swan Clothing Under 9 Golds

Glen Iris Blue Swan Under 9 Golds

Gold V Brown – Brown V Gold

In an entertaining Game the Under 9's put on a great free flowing contest.

With the sides joining together to meet and play with other members of the Gladiator under 9's the game was fantastic to watch.

All players deserve to be applauded with the way they went about the contest.

The Best performance of the day was when the two sides linked arms together and sung The Club Song at the end of the game.

WELL DONE to all – A Great Game to watch and be a part of.

Last weeks Round Robin – photo's on the WJFA website - <http://www.wjfa.org.au/>

BLACKROCK BlackRock Under 10 Blues

27th July - Round Robin 1st game vs East Malvern Blue at Pinewood Reserve

The annual WJFA "Round Robin" was held at Pinewood for the Under 10 teams. This day is enjoyed by both parents and boys and medals are awarded at the end of the day in recognition and as encouragement for their contributions to junior football. The boys also wore the yellow arm bands to raise money for Cancer awareness and a big thank you to the parents who contributed to this cause.

Our first game was against our old foes East Malvern Blues, whom we play again next Sunday. Isaac Russo led the side out and the game started at a frenetic pace and the boys were definitely tuned in as they continually drove the ball into a somewhat crowded forward line. Unfortunately, we could only score points until Tom Shatin kicked truly from a great mark. The back line were in superb form ably led by Fred Oldfield, Ned Lindholm, Jono Loveridge and Tom McDonald. The midfield worked very hard and highlighted by strong quarters by Connor Dudley, Sam Barnett, Ben Wilkinson and Mackenzie Fenton in the ruck. Blues by 5 points at the first change.

We knew East Malvern would fight back, but to the boys credit they continued to run hard and Ned L, Isaac Russo, Sam Sherlock and Ben W continued to drive the ball forward and goals were rewarded to Tom S and Sam B. The first game saw us winners by 15 points - 3.6.24 def East Malvern Blue 1.3.9 and I doubt that we would see a better half of football from the team.

If this game was anything to go by, next week will be a ripper!!!

As winners of the first game we had the honour of playing Prahran, whom we have beaten earlier this year. Rain was starting to fall and this made the game very dour with many packs formed. Tom McDonald took over as captain and worked hard in the ruck. Harry Healey was very strong in defence ably supported by Isaac R, Tom S and Sam S. Finally we broke through for a good goal to Sam B and at half time we trailed by a point despite having most of the play.

The last quarter was tough going and the boys were showing signs of a hard work ethic in the first three quarters. Prahran worked well around the packs and were rewarded with a goal in the pocket. From there the game remained on a tightrope as the ball swung back and forward. Jono L, Ned L, Fred O and Connor D continued to work hard and when the siren rang we found ourselves 10 points in arrears Prahran 2.5.17 def Glen Iris Blues 1.1.7.

Congratulations to all the boys as they worked themselves into the ground early and to the parents for braving the conditions - thank you all.

Next week we play East Malvern Blues at Righetti commencing at 12.30pm

WARWICK **Warwick Under 10 Gold**

ROUND ROBIN AT PINWOOD

Under 10 Gold 4.7.31 defeated U10 Ashy Green 3.2.20

Drought Breaking strategy found.....Organise Gladiators U10 Golds to play Footy at Pinewood.

Our first game of the round robin series was a beauty. Tough wet conditions did not stop Sam Guest taking some amazing marks and playing a blinder. Well done Sam.

Toby Wright was Captain and did a great job steering the boys to victory. Congratulations Skipper on a great win. Josh Doherty played a great game, slotting a remarkable goal and showing his usual endeavour all day. Ashy were looking dangerous when they got possession, so congratulations boys on winning that race to the ball. It sure is critical.

When Ashy did get possession, thankfully we had Toby Warwick at Centre Half Back. Fast gaining the reputation as the "Rock of Gibraltar" Toby stopped plenty of forward attack. His fellow backs that proved tough campaigners included Willem James, Tom Cameron and Seb Reed who after a few weeks off, came back in silky touch, well done Seb.

The boys were all fantastic in very harsh wet conditions. The win put us in to the final. Quickly we rushed into the rooms for a towel down and pump up. No boys complained, they all searched for Burgo to lead them out of the rooms as their Skipper for the next game. Wonderful to see.

Goals: Sam Guest 1, Burgo 1, Josh Doherty 1, Ned Stewart 1.

Under 10 Gold 2.11.23 Defeated By U10 Brown 3.6.24

Captained Beautifully by Mark Burgess, a Titanic battle between the two Glen Iris teams in the final was a spectacle to see. Both teams fought hard and played the game in wonderful spirit.

Players of note for the Gold team included, Ned Stewart solid effective possession winner, and a wonderful goal straight back over the Full Backs head. Nashy on a great wet weather mark, Ed Faulkner, a full running day, Nick Sutho for some courageous marks and a great goal. Gus McPherson was courageous all day, taking a nasty knock to the knee. Will Marvin a solid wet weather mark in defence under much attack.

Jack Martin showed great sportsmanship and gained many team boosting points by picking Toby Warwick up off the bottom of a pack. This is what Team sport is all about boys. Playing as a unit, enjoying each others support and mate ship. You guys look terrific as an outfit. Especially in your own huddle before Game 1.

The coaching Group are very proud of **everyone of you boys**. Keep up the great work. Thank you all for giving 100% on Sunday Top Effort.

Goals: Ned Stewart 2.

Tom Cameron and Nick Sutho won the Coaches jumpers for this week!!!

Pearson Trueman Under 11 Blues

Match Report: Ashburton Red Under 11 (5.7.37) were defeated by Pearson Trueman & Associates Under 11 Blue (10.11.71)

Coach's Report:

With two games to be played the tension is building, and the boys are rising to the occasion. The weather was overcast and the crowd was starting to build, Nolsie arrived a little late but had a great excuse, the Tigers Won! Doesn't happen that often so it's fine to be late when this sort of thing happens. Back to the Team;

The boys started kicking into a one point breeze, and by the end of the quarter were 4 goals up to Ashburton's one point.

This was made possible by the Back line, solid as ever, with Tim Woolley, Brad, Sam B, Alex Robinson, Matthew A and Tom Lindholm all playing in front and first at the ball.

In the second quarter the boys decided to have a bit of a rest and make a game of it, allowing Ashy to come back into the match, which would have been a nice gesture, if we were on top of the ladder. The third quarter was decidedly better and the centre line players and midfield were all over the ball; led by Jack, Josh and Sam M in the ruck and followed up with Pat, Mitch, James, and Max, the ball spent most of its time in our forward line rather than Ashy's.

Up forward, Luke Sexton was moving on the dance floor kicking, numerous goals, and was well supported by Oscar, Zach, Alex G, Jonah and Luke B.

On the wings the boys controlled and patrolled both the forward and back flanks, picking up easy and great possessions, helping and controlling the game to our advantage.

Fantastic Effort in the conditions, really well played throughout the game; well played. Training this week will be what you like best, and first there gets to pick the drills and take training.

I strongly recommend everybody at training on Friday Night, and if the parents want to join in to keep warm all the better.

Let all get to training on Friday within reason, anybody sick stay at home and rugged up.

BE FIRST AT THE BALL AND EVERYTHING ELSE WILL HAPPEN.

Let's practice the little things and be accountable for our opponents all the time.

Well played everybody, Congratulations and let's play four quarters next week.

Timbo and Nolsie.

Special Mentions; A certain parent who will remain anonymous, fell over in the goal square last week at Prahara, don't worry, it was captured on film, it looks great, especially the getting up bit and to all the other parents who braved the Cold to supporting their boys. Well Done we all love it.

Thanks also to Warwick for running the boundary line this week, Darren has recovered from the ear piercing Wolf Whistling deafness and will return this week. Enjoy Ladies.

Goals: 4 – Luke Sexton, 2 – Bulte, Pearson, 1 - Nolan, Simkiss

Trojan Under 11 Brown

COACHES REPORT FOR UNDER 11 BROWN

Glen Iris Brown 2-5-17 defeated Canterbury Rovers 1-4-10

With rain falling heavily overnight the Under 11 Brown Gladiators were faced with a swimming pool at T.H. King oval. Needless to say scoring was going to be difficult with such a saturated ground.

The game started with an early goal to the Gladiators and it looked as though last week's effort was going to continue. Alas, the intensity that was shown by the team last week didn't eventuate for the first three quarters.

All players found the going tough. Jimmy F., Remy, Amy and Bucky were valiantly holding the opposition out, whilst Tommy, Will and Jacko were desperately trying to pump the ball forward. Jimmy M and Henry S were big targets up forward but not enough possessions were obtained close enough to the goals to enable scoring.

At half time, players were shifted to try and gain some momentum. Unfortunately, the hole seemed to get bigger and we were extremely lucky that Canterbury only scored one goal for the quarter. The backline, though, during this quarter were superb, diving on loose balls, smothers and knock-ons.

Three quarter time, and it was time for a little inspiration from the coaches. The players were reminded that this was their ground and that we did not surrender lightly. Pleasingly, all players came out firing. The lethargy shown in the first three quarters was gone and the pressure that the entire side showed last week returned.

A point from Sam in the last two minutes saw the scores level and a goal from Will Mc in the dying minute saw the Gladiators hold on for a mighty victory.

Guys,, remember, sometimes things don't work out the way you have planned, however the lesson to be learnt from Sunday's game is that you never give up, you never stop trying, and more importantly, you never stop supporting your team mates.

Well done to all.

Stephen & Justin

Emit Under 11 Golds

GLADIATORS gear up for finals with convincing win.

Glen Iris 6 – 11 = 47 def St Marys W 0 – 0 = 0

The Glen Iris Gladiators Under 11 Golds started their run to the finals with a convincing win over St Marys on the weekend. With the coaches instructions ringing loudly in their ears, the Under 11 Golds set about to play a finals brand of football against St Marys.

The game started in drizzly conditions on a wet and muddy ground. St Marys tried to stifle the Golds by playing extra men in the backline, but this was to no avail as the Golds dominated from the start. The opening bounce saw a perfect tap from Lachie Strathmore to Harvey Hooper who handballed to the running James Wiseman who in turned speared a pass to the Fev, Andreas Lividas. Champagne football!!!! For the first quarter, the Golds dominated. Goals to James Wiseman and Jimmy Ford from CHB showed that the Golds were on fire.

The back 6 of Taylor Quirk, Hugo Chow, Alex Kofler-Rogers, Will Bernardi, James Ford and Jack Murphy were rock solid as they allowed no space for their opponents and rebounded the ball into our forward line at every opportunity. Quarter time saw us in front by 13 points in a tough and bruising affair.

The second quarter went the same way as the first. Jack Giles was in and under the packs and with Harvey Hooper's skill in the middle, the ball was constantly in the Golds forward half. Ben Deighton was playing his best game of the year and his running off the wing showed that he is going to be a very handy player come finals time. Ed Randall and Anthony Rizakis were combing well on the wings and they were giving our forwards every chance to score. This quarter saw Will Kelly and Pat Phillips completely take control of the game. Pat and Jimmy Ford were rotating between CHB and CHF and they both had outstanding games. At HALF TIME THE Golds were 24 points in front.

The 3rd quarter saw the Golds shut the door. James Hardwick and Josh Richards were thrown into the action on the forward line and Bailey Topfer was given a free licence to roam around the forward 50. Immediate success. Will Bernardi kicked a clever goal followed by another one to the Fev. The game was blown wide open. The Golds played team football and they went into 3 quarter time with a 35 point lead.

The last quarter saw the tough football continue. Tackling was at its best and the Golds refused to concede anything. The Fev took a mark on the last line of defence to deny a St Marys score and Jimmy Ford finished the game off with a fantastic running goal. The siren sounded and the muddied Gladiators were the victors by 47 points!!!

Now the action starts to heat up as we are 2 games inside the four with 2 games to go. A win on Sunday sees the finals a certainty.

REMEMBER

GO HARD AND BE LOW FOR THE BALL

UMPIRES ALWAYS PROTECT THE PLAYER GOING AFTER THE BALL

PLAYERS WHO STAND AROUND WATCHING WILL BE PLAYERS SITTING

KICK LONG UNDER PRESSURE

Finals here we come

Pete, Brad and Don

Boofheads Under 12 Golds

Glen Iris Gold 4.3 (27) lost to Fitzroy 5.5 (35)

Co-captains – Sandy McFarlane and Sam Greenhough

After a very ordinary game the previous week against Ivanhoe it was important for the boys to re-discover their true game against Fitzroy, who up until this match had won the same number of games as us.

To their credit our guys came out firing – the tackling and intensity was back in pretty slippery conditions which both teams worked hard to gain ascendancy in. Across most positions we lifted, putting great pressure on and with Louis James saving a certain goal we went into the main break a point up.

The third quarter was an arm-wrestle with both teams striving to gain the upper hand, but no goals to either. The tussle continued into the last quarter – the Golds took the lead half way through the last quarter but 2 goals in 3 minutes by Fitzroy at the end turned the tables.

Whilst the result was disappointing the improvement was extremely pleasing. If the boys show the same commitment this week the result will be different.

Particular mention should be made of the games played by Sandy, Gordon, Ant, Gus, Jock and James Regan, whilst Lachie and Max worked hard in the ruck.

PRACTICE THIS WEEK IS AT T.H. KING FROM 4.45PM TO 6.00PM.

See you at training – GO GLADIATORS!!

We will have as guest coach for all the U/12 teams – the great wingman Robert Flower from Melbourne. Robert played 272 games for the Demons from 1973 to 1987 (captained from 1981 to 1987), 15 games for Victoria (3 as captain) and twice selected in the All-Australian team.

Polarity Consultants Under 12 Greens

The Greens played the top side St. Damian's away on Sunday in what turned out to be another thriller.

The first quarter saw us attacking continuously for the first ten minutes. It was a great quarter and resulted in a goal to Paul Colman that put us up by ten points at the first break. We were 'on' and St. Damien's knew they were in for a tough game.

The second quarter produced more of the same as we matched and then out played our more fancied opponents. The boys were fantastic led by a great on ball division of Charlie, Louis, Matt, Willo, Churchy and Tom and Jack Will who were all on fire. We were in front by 8 points at half time after a lucky goal by our opposition with one minute to go before the long break.

The third quarter was a tight one. St. Damien's new they were in for a fight and threw everything at us. They kicked one, then we replied with a goal to Ted Murchie who played well all day. We ended the third quarter three points in front after a great tussle.

We were all excited at this stage and the last quarter was always going to be a ripper!! Our efforts to stop St. Damien's in the last were fantastic. It was a top effort by all the boys and we led till the last 90 seconds. St. Damien's took a mark and goaled to give them the game by four points in a very exciting finish.

Boys you all put in a sensational effort against the side that is two games clear on top of the ladder. The St. Damien's coach shook my hand and said his side was lucky to win which I think probably sums up the game well! I can honestly say I think that was the best team effort all year. Everybody contributed and all of us on the boundary were rapt with your efforts and endeavour.

Special mentions:

Every single player, you all had a go and made the top side work for every kick. Well done boys.

If we are 'on' again this week against Preston there's no doubt we will get a win!

See you on Friday for training which will finish at 5.45pm due to parent's get together at our place.

Glen Iris Green 2 – 6 - 18 St Damians 3 - 4 - 22

Goal Scorers Paul Colman, Ted Murchie

GO Gladiators!

THE BIG GROUP
CREATIVE | CULINARY | CONCEPTS

The Big Group Under 12 Browns

Deja Vue!

A cold, wet, and extremely muddy T. H. King oval was the venue for the latest instalment for the test of character that this season has turned out to be. In an evenly matched contest against a team of similar ability, I was hoping that the opposition's lack of any reserves, given the conditions, would work to our favour. To their credit, their boys treated it as an opportunity to play a full game.

We started out with a very different line up, giving players the opportunity to have a go in positions that were new to them. Matt Marvin was excellent in the ruck, giving us plenty of chances for first use of the ball. Our inability to convert many forward opportunities showed on the scoreboard, with about half of our points being rushed by the opposition. With a never say die attitude, we managed to claw our way to the front in the last quarter; Guess What!! A goal to the opposition in the last 30 odd seconds once again denied the boys a win I felt they had done everything to deserve.

I was rapt in the team's effort, and the way the boys worked hard and made second and third efforts to help each other. Shags and Will Griffo were superb in the backline, as was Martin. Penny made a great target at centre half forward, and Will Koten's stint in the ruck after taking over from Matt was tremendous. We will be rotating players through positions again this weekend, giving everybody a chance to get into the play. With the same commitment, and a little luck in front of goals, we can give Canterbury a real shake. See you all at training on Friday.

Go gladiators!

Bluefish Productions Under 12 Blues

Undertaking the competition leaders on Sunday, the blues looked to have a tough task in front of them. In slippery conditions the boys took to the weather like ducks to water. Having a full strength side for the first time in many weeks helped enormously as they took it right up to the opposition. Rupert Reed was in fine form after coming back from a long stint on the sidelines. Will Lovelock captained the side well by standing tall in defence all day long.

The Horne brothers combined well with one another - years of backyard practice obviously coming to the fore there. Playing in what would most likely have been his best game for the year, Will Stewart proved that he can play in different types of positions - this time playing as a defensive mid-fielder and setting up most of our play.

After having most of the football for the day we were in the match all day. However, having more points than goals hurt us at the final siren. The opposition, when they had it, were able to use it effectively and hurt us on the score board.

The last few weeks this team has played excellent football, but has been so unlucky not to come away with the points. Let's finish off the season with two wins!!

Shopper's Advantage Under 13 Blues

Congratulations to all the boys this week on a great effort in trying conditions. Pressure was the key to our whole game. We held them very well for the second half. Our tackles were very pleasing and meant they turned the ball over a lot.

We have to remember to support each other and talk 'loud' right through the game. By doing this you are clearly showing your team mates you are trying and it gives more options for disposal.

Thanks also to the 5 U11 boys coming along and helping us out. Whilst the score indicated a comprehensive win to Ashy our efforts were fantastic. You may not all realise it now but the experience you are getting in your defensive part of your game will really help you in future years and other teams.

Virgin Under 13 Golds

Glen Iris was soundly beaten by a tall and mobile Beverley Hills on Sunday.

It was cold, wet and muddy but that didn't deter our opposition.

We had more possession but broke down badly when it was our turn to score. We didn't reward our back-men and on-ballers who battled hard all day. Our intensity or commitment was not the issue.

Well done to Beverley Hills. They will be tough to beat during the finals.

The Yarra team is still a statistical chance to make the finals but they are fairly remote. Let's make sure we remain committed for the remaining two weeks and do our best.

K2 ASSET MANAGEMENT

K2 Asset Management Under 14 Green

The boys started well with great effort and endeavour and moved the ball well with quick hands. This lasted until the scoreboard rendered the game a no contest. From there we played out time with another spirited attempt late in the game.

Alex Hamer had an outstanding game as did a few of our seasons best contributors in Rupert Middleton, Jack Lidgett, Will Doble and George Stephen.

Glen Iris 0 0 0
Preston 23 12 150

Pearl Equipment Finance Under 14 Golds

A thrilling game saw us draw with the top side this week. Unfortunately only getting 2pts means we must still beat Ivanhoe in the last round to get into the top 4 (unless Camberwell beats East Malvern: unlikely).

I thought the game was our best performance this season. We played incredibly hard and well for 4 quarters, doing the things we will need to do to beat the top sides. The most pleasing was to see the controlled risk taking and run from the full back line and half backline. This set up many more opportunities further afield enabling us to keep possession. The running to contests to outnumber and support was excellent and the pressure and tackling strong to force turnovers. For long periods of time we were in full control of the game with them chasing us, which only occurs when EVERYONE is moving and running. The notable runners included Cellini, Koren and Roberts from the backline and Mclardy, Guss, Walmsley and Wills in the midfield.

Everyone who is interested in playing finals must make it to training on Thursday and I suggest another fitness run and skills session during the week.
Great work
