From the President

I would like to take this opportunity to welcome everyone to a new season of football. I look forward to sharing a rewarding season with you all both on and off the field. A special welcome to those of you joining us for the first time. I hope you have a very enjoyable and exciting time at the club.

After a long, hot and difficult pre season we finally begin Round 1 this Sunday - GOOD LUCK to ALL .

Many hours of hard work have been put into planning this year, particularly addressing the many issues and challenges that confront junior sporting bodies no matter which code.

The backbone of our Club are the many volunteers who give many hours of service throughout the year. In particular your committee, coaches and team managers. Each of us have different commitments and therefore our ability to give our time differs from person to person and family to family. I would urge you all to support those who have put their hand up. It doesn't matter how large or small your contribution is - any contribution will go a long way to building a stronger club. For those of you who have put your hand up already I thank you for your commitment. For those of you who haven't, I would encourage you to help when and where you can. Remember no contribution is ever too small.

I look forward to catching up with all you during the season.

In the meantime if you need to discuss any issue please do not hesitate to contact me. My details are listed below.
